Foreword

This Resource Directory has been compiled and published by the KEDDO Area Agency on Aging Information and Assistance Service (I&A) for the older people, their families and caregivers who live in Choctaw, Haskell, Latimer, LeFlore, McCurtain, Pittsburg, and Pushmataha counties of Southeastern Oklahoma.

A sincere effort has been made to include those resources which most directly relate to the older people and their needs. When using this guide, please keep in mind that the information accumulated concerning services and telephone numbers are subject to change. Please contact this agency of any changes that occur for updated material.

Should you desire more information or assistance regarding services, call or write:

KEDDO Area Agency on Aging Mission Statement

It is the mission of the KEDDO Area Agency on Aging to be visible advocates and leaders which will develop greater capacity and foster the development and implementation of comprehensive and coordinated systems to serve older individuals.

The intent of this agency is to secure and maintain maximum independence and dignity in a home environment for older individuals capable of self care with supportive services, remove individual and social barriers to economic and personal independence for older individuals; provide a continuum of care for vulnerable older individuals and to secure the opportunity for older individuals to live dignified, productive, and independent lives.

Long Term Goals

- ⇒ Develop a comprehensive area plan every four years to better serve the elderly in the KEDDO seven county area.
- ⇒ Evaluate services to older people.
- ⇒ Increase public awareness of the needs of older people.
- ⇒ Administer funds and technical assistance for programs serving older people.
- ⇒ Disseminate information about aging and aging programs available in the area.
- ⇒ Receive input on planning and operation of the program through an advisory council.
